

The Healthcare Partner

PRESS RELEASE

GPI GROUP AT ARAB HEALTH IN DUBAI

Trento, 17 January 2022

The Gpi Group will have a booth at Arab Health 2022, the big healthcare exhibition being held in Dubai from January 24 to 27, 2022.

Arab Health is one of the most important event in the healthcare sector in the Middle East, bringing together operators also from Asia, Europe and the United States.

This year Gpi will be presenting GPI4Blood, Gpi's Blood Management System by Medinfo, Guyot Walser and Hemosoft. Umana Medical, specialized in telemonitoring and telemedicine devices will be there as well.

The Gpi Group will take part in Arab Health 2022 together with other companies from the Trentino region, that is Comedical, E-Pharma and OPT, under the auspices of Trentino Sviluppo, the society promoting Trentino's companies worldwide.

Fabio Rossi, Director of International Operations at Gpi claims: "This is an important occasion to us to meet our stakeholders in the Gulf countries, particularly, Qatar, Kuwait, Saudi Arabia and UAE, where we are already there with our Automation solutions (automated warehouses for drugs logistics) as well as with the Blood Management Softwares of Hemosoft and Medinfo. Arab Health will be a paramount opportunity to enhance our presence in that area".

GPI GROUP

GPI is the preferred partner for software, technologies and services for healthcare, social services and the public administration. Founded more than 30 years ago in Trento, GPI has grown through significant investments in M&A (in Italy and abroad) and R&D, which it carries out in partnership with leading Italian research centres and universities to share scientific, technological, functional and process knowledge applied to the e-health, e-welfare, well-being sectors.

Also drawing on the solutions and know-how gained from the companies that have joined its ecosystem, the Group has masterfully translated the needs of the healthcare industry into cutting-edge high-tech solutions and new service models that optimise prevention, diagnosis and care processes, improving people's lives.

The offer combines specialised IT expertise with advisory and design capabilities enabling it to operate in a range of business areas: Software, Care, Automation, ICT and Payment services.

The Company reported consolidated revenues of €271 million in 2020, with over 6,100 employees at year end and more than 2,400 customers in over 60 countries.

GPI was listed on Borsa Italiana in 2016 (AIM segment) and moved to the MTA market in 2018.
