

ADVANCED AUTOMATION FOR PHARMACEUTICAL WHOLESALERS GPI SIGNS € 2.1 MILLION CONTRACT WITH COROFAR DISTRIBUZIONE

Trento, 9 June 2025

Gpi S.p.A. has signed a **€2.1 million contract with Corofar Distribuzione** for the supply of two RIEDL Phasys automated systems, dedicated to the management of pharmaceutical warehouses. This agreement marks a further step in Gpi Group's consolidation within the pharmaceutical logistics wholesale segment and broadens its development prospects in this market niche.

Specifically, Gpi will provide **two 80-meter robotic systems** that will enable Corofar Distribuzione - an operator mainly active in the Emilia-Romagna Region - to significantly optimize internal workflows, accelerate order preparation, and ensure fully digitalized and traceable inventory management, also through integration with existing enterprise systems.

Through this project, Gpi aims to expand its presence in a key market segment, offering scalable, high-performance technologies capable of adapting to the most advanced logistics models.

The partnership with Corofar Distribuzione also serves as a strategic reference, strengthening the positioning of RIEDL products in pharmaceutical logistics and opening up new growth opportunities both in the domestic and international markets.
