GPI GROUP

Gpi's mission is to make healthcare systems sustainable so that, through the digital transformation of healthcare, everyone can receive quality care.

Sustainability and social impact are the inspiring principles and an integral part of the strategic and investment assessments of the Group, which is aware that the solutions and services provided to the community affect people's quality of life.

For 35 years, guided by a vision that puts the patient at the heart of everything it does, Gpi has been assiduously working to support healthcare systems with the skills and innovative tools that can improve prevention and treatment processes, through the use of state-of-the-art software and technology and cutting-edge services.

The Group's strategy is geared towards responding to a healthcare system in continuous transformation and expanding into international markets.

In 2024, the steadfast commitment of more than 7,600 employees resulted in € 510 million in revenue, EBITDA of € 105 million and more than 9,000 customers across 70 countries.

Gpi SpA is a company listed in the Euronext Tech Leaders segment of the Italian Stock Exchange.
